Professional Summary

I am a medicinal chemist working at the interface of chemistry and biology with the overall aim of new drug discovery. I have experience in computational drug design, cheminformatics, *in silico* ADMET prediction, and multi-step organic synthesis, with proven achievements in antimalarial and anticancer research, published in peer-reviewed journals. I am a two-time recipient (2022 and 2024) of the Erasmus+ International Student Exchange Program fellowship at the University of Torino, Italy.

Core Skills

- Drug Discovery & Development | Medicinal Chemistry | Organic Synthesis & Analysis.
- **Computational Tools:** Molecular Docking, QSAR, MD Simulations, ADMET Prediction.
- **Software:** Schrodinger Suite, AutoDock Vina, Discovery Studio, GOLD, ChemDraw, PyMOL, SYBYL-X, UCSF Chimera, GROMACS, Mnova, Delta JEOL.
- **Analytical Techniques:** NMR, Mass, UV, IR, HPLC, Chromatography techniques.
- **Databases:** SciFinder, Reaxys, PubChem, ChEMBL, ZINC15/ZINC20, PDB, SwissADME, OSIRIS Property Explorer, Google Scholar, PubMed, ScienceDirect, EndNote, Mendeley, Zotero.
- **Writing & Communication:** Scientific Manuscripts, Proposals, Presentations.
- **Productivity Tools:** Microsoft Word, Excel, and PowerPoint.

Education

Ph.D. Pharmaceutical Chemistry (April, 2026): Nirma University, Ahmedabad, Gujarat.

M. Pharmacy Pharmaceutical Chemistry (8.0 CGPA, 2020): Central University of Rajasthan, India.

B. Pharmacy (67.4%, 2017): SBSPGI, Balawala, Dehradun, Uttarakhand, India.

D. Pharmacy (73.1%, 2014): Govt. Polytechnic College, Dwarahat, Uttarakhand, India.

12th (60.4%, 2012): Government Inter College, Pali, Almora, Uttarakhand Board of School Education, Uttarakhand, India.

10th (55.5%, 2010): Government Inter College, Pali, Almora, Uttarakhand Board of School Education, Uttarakhand, India.

Professional Experience

❖ **Junior and Senior Research Fellow | Institute of Pharmacy, Nirma University | Sept 2021 – July 2025**

Designed and optimized *Pf*DHODH inhibitors using 3D-QSAR, molecular docking, and molecular dynamics simulation; synthesized and characterized novel chemical entities (NCEs), contributing to peer-reviewed publications and research proposals.

❖ **Assistant Professor | Oxford College of Pharmacy, Ghaziabad, India | July – Sept 2021**

Delivered pharmaceutical chemistry classes, supervised laboratory practicals, and mentored students in research techniques.

❖ **Research Fellow (Erasmus+) | University of Torino, Italy | 2024 & 2022**

Collaborated on international medicinal chemistry projects, performed computational and synthetic research under the guidance of **Prof. Marco Lucio Lolli** and **Prof. Donatella Boschi**, and contributed to improved research outcomes and strengthened global collaborations.

❖ **Industry/Hospital Training**

- Lupin Ltd. (15 days): Exposure to industrial pharmaceutical processes.
- Govind Singh Mahara Govt. Hospital (3 months): Clinical training experience.

Key Projects

Ph.D.: Design, synthesis, and evaluation of novel *Pf*DHODH inhibitors (2021–2025).

IDEA Lab: Synthesized *N*-substituted quinolizines as *Pf*DHODH inhibitors (2023–2024).

M.Pharm: Designed COX-2 inhibitors via cycloaddition and computational analysis (2019–2020).

B.Pharm: Comparative sales survey of leading brands of Ranitidine in different locations of Dehradun and Haridwar (2016–2017).

Awards & Achievements

- Fellowship – SCI2024 XXVIII National Congress (Italy).
- Best Researcher Award – Nirma University, Ahmedabad, Gujarat, India (2023).
- Young Scientist Award – ICLTIPB-2023, CPU, Kota, Rajasthan, India
- 1st Prize Poster Presentation – ISCB International Conference (2024).
- 1st Prize – COVID-19 Awareness Quiz, NIET Greater Noida (2021).

Publications

❖ **Conferences & Workshops**

- Poster Presentation – SCI2024 XXVIII National Congress, Società Chimica Italiana, Milan, Italy (Aug 26–30, 2024).
- Poster Presentation – NextGen Therapeutics Conference, Nirma University, Ahmedabad (Feb 7–9, 2024).
- Poster Presentation – ISCB International Conference (ISCB-2024), Marwadi University, Rajkot (Jan 8–10, 2024).
- Poster Presentation – ICLTIPB-2023, Career Point University, Kota (Mar 18, 2023).
- Trainer – Workshop on CADD Software, Institute of Pharmacy, Nirma University (Feb 23, 2023).
- Participant – IP Awareness Program, Intellectual Property Office, India (Dec 8, 2022).

- Poster Presentation – 27th ISCB International Conference (ISCBC-2022), BIT Mesra, Ranchi (Nov 16–19, 2022).
- Oral Presentation – NIPiCON-IPS 2022, Nirma University (Feb 17–19, 2022).
- Participant – Workshop on Protection of IPR in Pharmaceutical Sciences, Nirma University (Dec 31, 2021–Jan 1, 2022).
- Participant – SERB Workshop on Spectroscopic Techniques Using Sophisticated Instruments,” Central University of Punjab (Oct 18–24, 2021).
- Participant – Workshop on Computational Screening & Molecular Dynamics, Schrödinger (Sep 21–22, 2021).
- Participant – National Seminar on Development of Biologicals in India,” NIPER-Guwahati (Jan 21–22, 2021).
- Participant – Workshop on OTC Drug Awareness & Patient Compliance, Sir J.C. Bose Technical Campus, Bhimtal (Jun 23–24, 2020).
- Participant – Symposium on Recent Advances in Bioorganic & Medical Chemistry (RABMC-2019), NIPER SAS Nagar (Aug 30, 2019).
- Course Completion – Introduction to FDA Human Drug Review and Approval Basics.

Declaration

I hereby declare that all the above-mentioned details provided by me are true to the best of my knowledge.
